About the Master of Theology (MTh) Programme: The MTh particularly equips theological educators for Colleges in the South Pacific. It also will equip Christian ministers and Christian service agency personnel for contextualized ministry in the South Pacific.

Pre-requisites:

1. A theological degree or equivalent from CLTC or other accredited institution.
2. Theological research as evidenced in a Bachelor's thesis or other significant writing.
3. Competency with computers, especially word processing.
4. Good grasp of English language (evidenced by achieving a satisfactory score on CLTC's Entrance Exam).

MTh Award Completion - the MTh programme is an academic and research oriented graduate programme. The MTh consists either of seven taught courses and a 20,000 word thesis or eight taught courses and a 10,000 word thesis. Each course requires a total of 300 learning hours, including class and personal study, and requires approximately 8,000 words of writing. Students with a focus on Bible studies will be required to take Greek and Hebrew as one of their courses.

Full-time of Part-time – Students generally study full-time at the Banz campus. Some courses are available as 3 to 4 week intensives with course work required before and after the intensive. This allows for students to come for selected courses and so complete the degree part-time.

MTh Fees and Sponsorship- see pages 8-9

I, the undersigned, understand the advanced nature of this course and feel that I can successfully complete this course in the two years given.

STUDENT FEES for 2022

The average cost of the MTh programme is about K24,000 per student per year! The cost of your MTh programme will be heavily subsidized by CLTC support programmes and also the Overseas Council Australia (OCA), who by faith and hard work seek to find funding to support you. Christian Leaders' Training College has been selected to be the primary institute of higher theological education for students in the South Pacific by OCA. However, we still expect each student to contribute towards the full K24,000 cost by paying the tuition fee of K6,400 if you are single and K10,230 if you are married. The married fee includes the training of both the husband and the wife.

How your fees are used by CLTC

The tuition covers your training. Each student is also given garden space to grow vegetables. In addition, through the sponsorship of OCA, you are paid a food allowance each fortnight of K40 per adult and K20 per child. You must budget your allowance carefully. This allowance will not be enough to meet all your additional living expenses, so we strongly recommend that all students bring extra money that can be deposited in your account at the college. This additional money is for your use and is not part of college fees. Students who do not bring extra money will struggle to provide for all their personal needs.

OCA SPONSORSHIP

Expenses OCA will try to cover through your OCA Sponsorship:

- Travel to the college at the beginning of your study and return travel upon graduation. (International student's airfares to and from PNG are covered by OCA)
- Accommodation and basic household furniture, and issue of gas for cooking.
- Cost of bringing in international lecturers
- Course materials and library resources (to be purchased as needed by your lecturers.)
- Living allowance (K40/adult and K20/child/fortnight)
- Children's schooling (up to K200 child/year).
- Medical treatment (up to K50/person/year).

If you are accepted into CLTC's Master of Theology Programme, it is expected that you will be thankful for OCA's support and will acknowledge and thank your OCA sponsor regularly with written communication, updates, photos, etc.

I understand my responsibility to be an ambassador for CLTC and the South Pacific.

CLTC COMMUNITY LIFESTYLE COMMITMENT

Christian Leaders' Training College (CLTC) is a Christian community joined together for the purpose of academic study, personal development and spiritual growth. We are committed to the Lordship of Jesus Christ and believe that the scriptures establish the basic principles that should guide our life together. These principles include the responsibility to love God with all our being, love our neighbours as ourselves, seek after righteousness, practice justice, help those in need, forgive others, seek forgiveness and responsibly exercise freedom with loving regard for others. One of the important lessons you will learn here is about the way you should live together with people from different places and with different customs. We acknowledge that it is impossible to create a community with expectations that are totally acceptable to every member. Nevertheless, clearly stated expectations promote orderly community life. The Word of God tells us that "everything must be done decently and in order" (1 Cor. 14:40).

As a member of the CLTC community, I will strive to practice stewardship of mind, time, abilities and finances. I will pursue opportunities for intellectual and spiritual growth and demonstrate care for my body. I also will exercise social responsibility in my standard of living and use of economic resources. Realizing the destructive character of an unforgiving spirit and harmful discrimination based on prejudice, I will seek to demonstrate unselfish love in my actions, attitudes and relationships. I will be honest and show respect for the rights and property of others. I recognize that some social practices are harmful to me, as well as harmful or offensive to others. Therefore, respecting the values of others and the mission of Christian Leaders' Training College, I recognize my responsibility as a member of the community to refrain from sexual relationships outside of marriage, sexual harassment and abuse, pornography, acts of violence, abusive or demeaning language and the use of illegal drugs. Recognizing that CLTC supports non-use of alcohol, tobacco, and betel nut, I will respect and abide by the college policy that prohibits the use of alcohol, tobacco, and betel nut both on and off campus. I pledge myself to carry out this commitment in a spirit of openness and helpfulness through mutual accountability motivated by love.

TICK the following boxes after you have read the Commitment.

- I have read the Community Lifestyle Commitment and understand the purpose and mission of CLTC.
- I accept the lifestyle expectations as my own while I am a student at CLTC.
- I agree to withdraw my application should I find myself unable to support them.

By signing this application I confirm that all information submitted for admission to CLTC is accurate. I understand that if I have falsified information I may be asked to withdraw my application or leave the college if enrolled.

But you will share this lab with all other CLTC students. You should purchase an 8 GB Flash drive (USB stick) for your academic work.

Do you have keyboarding/typing skills (*yes or no*) : _____

Do you have training and experience in word processing using Microsoft Word or Open Office? (*yes or no*) : _____

Due to the high number of applications that CLTC receives and the limited number of spaces available, it is important that your application is complete.
