PART 14: CLTC COMMUNITY LIFESTYLE COMMITMENT

The Christian Leaders' Training College (CLTC) is a Christian community joined together for the purpose of academic study, personal development and spiritual growth. We are committed to the Lordship of Jesus Christ and believe that the scriptures establish the basic principles that should guide our life together. These principles include the responsibility to love God with all our being, love our neighbours as ourselves, seek after righteousness, practice justice, help those in need, forgive others, seek forgiveness and responsibly exercise freedom with loving regard for others. One of the important lessons you will learn here is about the way you should live together with people from different places and with different customs. We acknowledge that it is impossible to create a community with expectations that are totally acceptable to every member. Nevertheless, clearly stated expectations promote orderly community life. The Word of God tells us that "everything must be done decently and in order" (I Cor. 14:40).

As a member of the CLTC community, I will strive to practice stewardship of mind, time, abilities and finances. I will pursue opportunities for intellectual and spiritual growth and demonstrate care for my body. I also will exercise social responsibility in my standard of living and use of economic resources. Realizing the destructive character of an unforgiving spirit and harmful discrimination based on prejudice, I will seek to demonstrate unselfish love in my actions, attitudes and relationships. I will be honest and show respect for the rights and property of others. I recognize that some social practices are harmful to me, as well as harmful or offensive to others. Therefore, respecting the values of others and the mission of the Christian Leaders' Training College, I recognize my responsibility as a member of the community to refrain from sexual relationships outside of marriage, sexual harassment and abuse, pornography, acts of violence, abusive or demeaning language and the use of illegal drugs. Recognizing that CLTC supports non-use of alcohol, tobacco, and betelnut, I will respect and abide by the college policy that prohibits their use both on and off campus. I pledge myself to carry out this commitment in a spirit of openness and helpfulness through mutual accountability motivated by love.

Please read the agreements below and tick the boxes after you have read them.

- I have read the Community Lifestyle Commitment and understand the purpose and mission of CLTC.
- I accept the lifestyle expectations as my own while I am a student at CLTC.
- I agree to withdraw my application should I find myself unable to uphold the CLTC lifestyle expectations.

By signing this application I confirm that all information submitted for admission to CLTC is accurate. I understand that if I have falsified information I may be asked to withdraw my application or leave the college.
