Theme 2021:

How Important Is It to Set Goals-Phil 3: 11-14

Php 3:11 so that somehow I also may be raised to life.

Php 3:12 I have not yet reached my goal, and I am not perfect. But Christ has taken hold of me. So I keep on running and struggling to take hold of the prize.

Php 3:13 My friends, I don't feel that I have already arrived. But I forget what is behind, and I struggle for what is ahead.

Php 3:14 I run toward the goal, so that I can win the prize of being called to heaven. This is the prize that God offers because of what Christ Jesus has done. (Contemporary English Version) (CEV)

As I think about the coming year 2022 and 2021 the year that is just about to wind up, I have been thinking strategically about my life, where I was?, where I am now?, where do I want to go?, and how do I want to get there? These are questions to life that we all must answer if we are to live a purposeful and fulfilling life here on earth and of course the life after, so I want to share some thoughts from the above scripture which has helped me and hope will help you all too on the importance of setting Godly goals.

Paul knew what it meant to set God honoring goals. Philippians 3: 8-11 describes not only where Paul had been, but also where he was going. Yes, he endured hardship. Yes, he experienced the joy of Christ. Yes, he had seen God use him, even from prison. Yet Paul understood that there was more of God to know, and so he set goals that would enable him and others to experience God at greater depths.

So how did Paul set these goals and move forward with such decisiveness, shrugging off passivity and complacency with every step? How can we follow his lead?

- **Believe and meditate on the promises of God.**
Paul had full confidence that God's in-dwelling Spirit would give him the resurrection power to live up to his God given potential in every area of life (Phil 3:11)
- **Have a consuming desire to achieve a precise goal.**
Paul had no foggy desires; he felt consumed by his desire to evangelize the lost (Phil 3:13)
- **Have the courage to attempt, even at the risk of failure.**
Paul didn't let his weakness or fears deter him; he understood that God used his weaknesses and fears to keep him dependent on and strengthened by Christ (Phil 3:12)
- **Choose determination.**
Paul faced more opposition than most of us can imagine. Yet he remained committed to whatever God told him was necessary to fulfill his goal. (Phil 3:14)
- **Be persistent.**
Persistence means we're still going when everyone else has stopped. Paul had days, just like the rest of us, when he only inched forward. We won't always sprint towards our goal; some days it will be all we can do just to keep pressing on. Yet we must not give up.
- **Humble yourself**
Paul writes, "Not that I have already obtained it or have already become perfected...." (Phil 3:12) Paul did not rest on his laurels because he knew he hadn't yet "arrived." Neither have we.
- **Let go of the past**
Clinging to bitterness, an unforgiving spirit, and old mistakes will always keep us from achieving our God given potential (Phil 3:13). Evaluate your goals and ask God how they fit into the greater goal of knowing Him. As he reveal his plans for you, for this day, this year, this life on earth, don't let anything or anyone stamp out the zeal that rises in you .
Have a blessed weekend.
